Dear Subhanu Halder,

You are invited to participate in the 40th Conference on Uncertainty in Artificial Intelligence (UAI 2024). The Conference, Workshops, and Tutorials will take place from July 15th through July 19th, 2024, at the Universitat Pompeu Fabra, in Barcelona, Spain.

UAI is one of the premier international conferences on research related to knowledge representation, learning, and reasoning in the presence of uncertainty. UAI is supported by the Association for Uncertainty in Artificial Intelligence (<https://www.auai.org/>).

On behalf of the organization committee, we have the pleasure to invite you to attend the conference and present your paper "*Optimization Framework for Semi-supervised Attributed Graph Coarsening*", by Manoj Kumar, Subhanu Halder, Archit Kane, Ruchir Gupta, and Sandeep Kumar, which has been accepted to the conference. Regularly updated information about the UAI conference, the schedule, and the facilities is available at <https://www.auai.org/uai2024/>. Your presence and contribution will be highly appreciated. All participants are ultimately responsible for all expenses related to the conference and are solely responsible for obtaining any required travel visas to the host country. We authorize that this electronic version of the invitation letter can be used for visa purposes.

Sincerely,

Ilya Shpitser, PhD
